Porting for Casual Games

We can help a casual game gain new audience and grow in number of players with exploring new technologies, platforms and stores.

PORTING FROM MOBILE TO:

Web (HTML5 and WebGL)

Current and next gen consoles

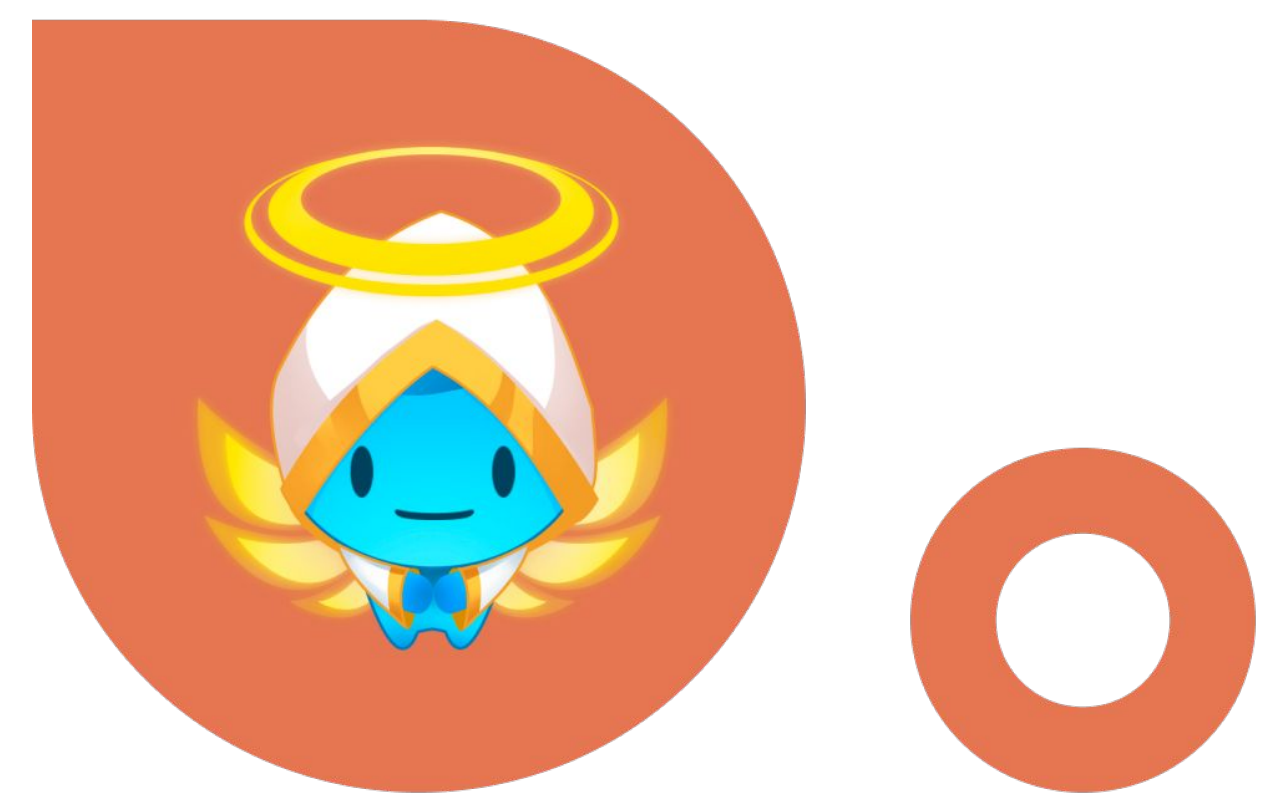

New stores (Windows store, Epic Games store, etc)

As well as porting from the above mentioned platforms to mobile

Among the games we've successfully ported to other platforms are Angry Birds 2, Shadow Fight 2, and many more.

Check out our cases of porting in the [iLogos Porting Experience](#) presentation!
